

MURRABIT ADVANCEMENT ASSOCIATION INC

STATEMENT OF PURPOSE

*To improve the quality of life in Murrabit economically,
socially and environmentally.*

MEANS BY WHICH THE OVERALL AIM CAN BE ACHIEVED:

1. To search for and promote new enterprises particularly agricultural but including industrial and welfare, and then to:-
 - (a) assist in relevant market research.
 - (b) seek out and organise support from the three tiers of government and other bodies.
 - (c) promote the establishment of new industry(s).
 - (d) promotion of agricultural products and technology to further the industry in the Murrabit area in particular and Australia in general.
2. To seek and organise support and expertise from government departments, councils and other relevant bodies.
3. To foster and arrange group ventures (which may include Joint ownership, hiring and the lease of plant.)
4. To keep the community fully informed of development at frequent intervals and promote the Association in the community.
5. To gain suitable publicity for the district.
6. To provide a communication centre for employment.
7. To employ project officer(s) to research viability of new projects.
8. To promote membership of the Association within the community.
9. To carry out such other activities within the terms of charter as deemed necessary from time to time.
